

SAFETY DATA SHEET

Version: 3 Revision date: June 25, 2021

1. PRODUCT AND COMPANY IDENTIFICATION

Product Name: Herring Meal

Details of the supplier of the safety data sheet

Supplier Pestell Nutrition

Address 141 Hamilton Re

141 Hamilton Rd New Hamburg, Ontario Canada, N3A 2H1

Phone 519-662-2877
Email qa@pestell.com

Emergency telephone number Canada: CANUTEC 1 613-996-6666 (24 hr) Canada: CANUTEC 1 703-527-3887

2. HAZARDS IDENTIFICATION

Physical Data:

Tannish/ Gray colored material Fishy odor Solubility 20 -30% by weight in water

3. COMPOSITION/INFORMATION ON INGREDIENTS

It does not present / display risks and normal conditions of manipulation and uses.

Inhalation: None Ingestion: None

Eye Contact: Mild irritation - rinse with water

Skin Contact: Mild allergen - wash with soap and water

(stabilized product) Nuisance dust - wash with soap and water Reactions:

None

Ethoxyquin is added to the herring meal at the time of production as a preservative.

4. FIRST AID MEASURES

Handle in an area with adequate ventilation Wear dust mask to avoid dust inhalation Wear eye protection when exposure is anticipated Wear gloves which are impervious to material

5. FIREFIGHTING MEASURES

Moderate fire hazard when exposed to heat or flame Can react with oxidizing material Possible spontaneous combustion with appropriate moisture and oil content Avoid exposure to excessive heat, moisture and oxidizing agents

6. ACCIDENTAL RELEASE MEASURES

Spill or leak procedures

Personal precautions: Use of mask for dusts

Avoid uncontrolled release to the environment Environmental precautions:

dispose of material according to applicable laws

Methods of cleaning: Clean the product immediately. Pick up to a container

adapter for its disposition or claim according to the local

regulations.

7. HANDLING AND STORAGE

Handling: The Standard precautions according to the good manufacturing practices.

Keep the product dry and maintain sanitary conditions.

In storage temperature should be monitored. Provide for good ventilation of Storage:

the room when handling this product, storage in a dry place to room

temperature.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Ventilation Protective Gloves:

Eve Protection: Other Protective Clothing and Equipment:

Work/Hygienic Practices:

Necessary if allergic Protect from dust None Wash with soap and water

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: solid

Color: Characteristic Tannish/ Light or medium brown

Odor: Fishy

Freezing Melting point: NA Specific gravity/Density

(H20=I) 0.470

pH: 6 to 7 Boiling

point: NA Flashpoint: N/A Appearance: dust Vapor pressure: NA

10. STABILITY AND REACTIVITY

Reactivity Stable

Stability: Overheating, Excessive Moisture Contact with strong

Conditions to avoid: oxidizing agents Oxidizing Agents, water

Chemical stability: Incompatibility:

Hazardous Decomposition

by products:

The product does not decompose in normal condition.

11. TOXICOLOGICAL INFORMATION

Routes of Entry: Inhalation, Skin

Health Hazards: Dust may irritate upper respiratory track, may

react like allergen in contact with hypersensitive

skin.

Skin hypersensitivity produces allergen reactions Signs and Symptoms of Exposure:

such as redness and itching

Medical Conditions Generally

Skin Allergy Aggravated by Exposure:

Emergency and First Aid Procedures: Wash off with soap and water

12. ECOLOGICAL INFORMATION

Avoid uncontrolled release to the environment Dispose of material according to applicable laws

13. DISPOSAL CONSIDERATIONS

Keep product dry and maintain sanitary conditions

14. TRANSPORT INFORMATION

DOT (US) Not dangerous goods

TDG

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

15. REGULATORY INFORMATION

None

16. OTHER INFORMATION

Disclaimer

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. Pestell Nutrition and its Affiliates shall not be held liable for any damage resulting from handling or from contact with the above product.
